Welcome to the 2019 Sheffield FlowerFEST

Following the successful launch last year of the revamped Sheffield Daffodil & Spring Flower Show under the new name of Sheffield FlowerFEST, the Kentish Garden Club is excited to announce the details for this year's show.

Since early 1900's the show has been staged in Sheffield. Originally it was more typical of a country fair showcasing local produce, animals, arts and crafts and a great deal more. In the early days, the highlight of the event was a dinner dance held on the Saturday night.

The show has evolved since then, moving to focus on plants especially flowers. Of course there has always been produce available for sale, along with light refreshments for patrons.

One of the main changes for this year's show is the replacement of the "Floral Art" category with the more relaxed and informal "Flower Arrangement" category. In this new category there are no separate sections for open, novice or beginner so all entries will be judged on the same platform. There's no need to be strict about adhering to Floral Art standards and rules – just create an entry and have fun! Judges will assess the style and appeal of the arrangement, relevance to the selected theme and the quality and suitability of plant material used.

The popular photographic competition will return again, along with the floral cake decorating competition and the country-style vegetable competition – longest, heaviest and strangest looking.

Children are looked after with a special potting corner where, under supervision, they can pot up their own plant and take it home to look after – a gift from the Garden Club to the gardeners of the future.

FlowerFEST will have something for everyone, so we hope that you come along and enjoy our show for 2019.
